## Help Guide

The following suggestions are made as you go through the pages of the screening form:

### **Page One:**

1. **Medicaid/PIC#:** The number of the client is now known as the “Provider One” number or “Client Number” and is 8 digits followed by the letters WA.
2. **Private Insurance:** We are asking for other private health insurance that may be in effect for the child.
3. **Telephone:** Please also add an EMAIL address if you have one. Staff are required to respect confidentiality if they send client information by email, and/or use an encrypted email system, but are able to discuss some arrangements by email. This speeds up communication.
4. Parents, please do not write in the shaded area.

### **Page Five:**

1. Please include people currently (past 6 months) actively involved in helping the youth, If they will still be available to participate, please indicate with a check mark or \*.
2. Please include family members, (even if reluctant or currently estranged), community members and community providers.
3. If some of these members have been meeting regularly as a team to address the youth’s needs, please indicate how often the team meets.

### **Page Seven:**

2. **Strengths:** Listing these for the youth and family helps us use youth and family strengths to more quickly help all make progress.
3. **What more intensive services have been tried....?** We are interested in which services listed on previous pages have been helpful, what was not helpful, and why (brief).

**For MCO or BH-ASO use only**
